

C SERIES CABINETS

Glamour often reveals itself in qualities you may not even notice at first glance. Like a cloudless sky or a calm lake, definitive beauty is pure and undemanding, exquisite for its understated elegance. Beveled mirrors and integrated lighting add dramatic ambiance, while one- to three-door cabinets offer versatile design.

C SERIES CABINETS

The modular design of C Series cabinets offers extensive design possibilities. These one- to three-door cabinets can be combined with RE:Flect™ wall mirrors to create personalized storage solutions for any room.

Two-door option with inset center

Three-door configuration

Two-door configuration

FEATURES

SOLID ALUMINUM CONSTRUCTION
Durable aluminum resists the intense moisture of the bathroom environment.

ADJUSTABLE SHELVES
Clear glass shelves adjust in 2-inch increments to provide versatile storage options.

HINGE
Each door can be opened from 145° to 180°.

PUSH BUTTON
A unique push-button opener reduces fingerprints and smudges on the mirror.

BEVEL DETAIL
A 3/4-inch beveled-mirror door and 1/4-inch beveled fascia add to the classic style of this cabinet.

PATENTED SWING-OUT MIRROR
This mirror offers 2x magnification.

OPTIONS

INTEGRATED LIGHTS
Integrated C Series halogen lights feature three 20-watt swivel spots for inset mirrors.

ELECTRICAL OPTIONS
Two outlets provide power for items such as electric shavers and toothbrushes. Cabinets are UL Listed for use in damp locations.

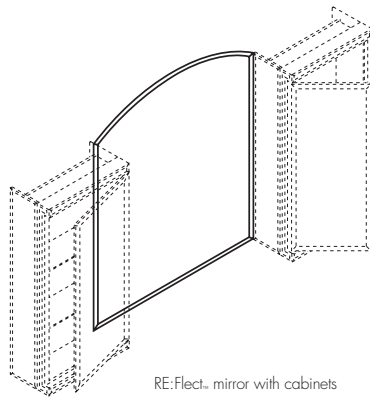

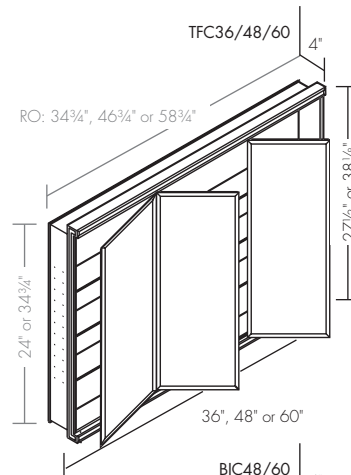

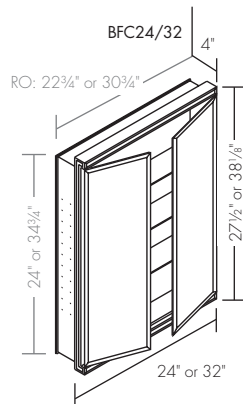

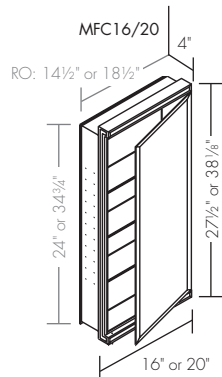

EXTERIOR LIGHTING
Horizontal, top-mount light systems offer lighting options to suit personal preferences.

EXPLORE NEW IDEAS.

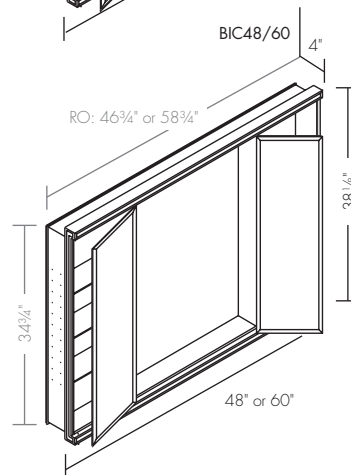

When you're ready to design your room, an online room planner is an easy way to incorporate all your ideas into a concrete plan. Using prebuilt plans or designing your own, you can select the size, type and placement of your cabinets, mirrors, consoles and lighting fixtures. Specifications, requirements, information and options are provided for each product with a simple click. Explore our room planner at robern.com/cabinet_planner.
