Made For Every Moment

At Robern, our products are created through the lens of functional beauty, thoughtful technology, and American craftsmanship.

Through this ethos, we've curated one of our most innovative collections to date: Fall 2024. This selection of cabinets, mirrors, and a storage niche, a first of its kind addition to Robern's lineup, have been created to redefine the luxury bathroom, turning clinical functionality into highly desirable sanctuaries of personal escape.

AIO RESERVE CABINETS

ABOUT:

AiO Reserve is our first-in-class lighted medicine cabinet for luxury organization and storage. With customizable lighting, on-mirror touch controls, a lit magnification mirror, and a wider range of light patterns and sizes, AiO Reserve offers the ultimate in design flexibility.

FEATURES:

1. Perimeter and Edge Light Patterns

Task lighting ideal for grooming and allows you to see yourself in the best light.

2. On-Mirror TUN™ Technology

Elegant touch controls on the mirror to set the ideal brightness and color temperature for any task (2700K – 5600K).

3. Integrated Interior Lighting

Interior cabinet lights turn on when the door is open and off when it is closed.

4. Lit Magnification Mirror

A perimeter lit 5x magnification mirror with dimming functionality and selectable light temperatures for close-up grooming tasks.

5. Wire Organizer

Keep cords and cables off the countertop while charging your devices.

6. Electrical Outlets

Two built-in outlets accommodate four plugs to keep your styling tools powered up.

7. USB Ports

Two integrated USB ports (A & C) charge your devices while you prepare for the day ahead.

8. Storage Bins

Keep makeup brushes, cosmetics, and small grooming tools from spilling out of the cabinet.

9. Magnetic Storage

A magnetic storage strip keeps metal grooming tools neatly arranged and within easy reach.

10. 3-Mirror Design

The mirrored interior allows access to essentials without losing sight of your styling routine.

11. High Quality Anodized Aluminum and Glass Construction

Durable, rust-free anodized aluminum resists moisture for long-lasting functionality.

12. Slow-Close Blum Hinges

Prevent slamming, reduce wear and tear on your cabinet, and ensure a soft closure every time.

13. Adjustable Cantilever Shelving

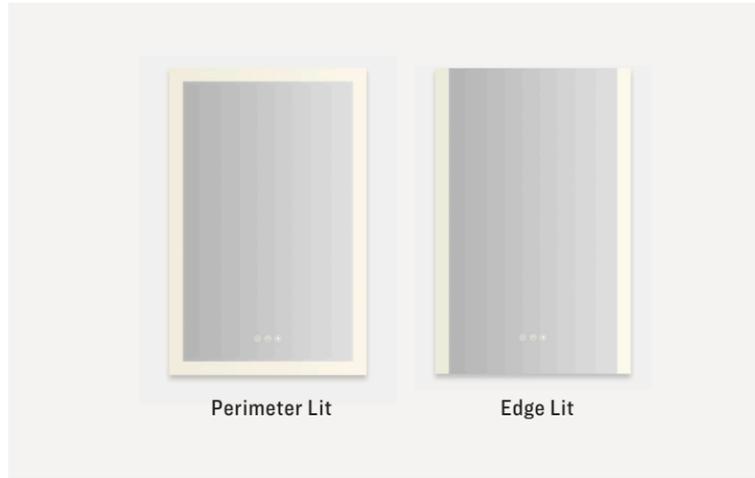

Cantilever shelving features hidden adjustment holes for a clean and custom-built appearance.

14. Quiet Close Safeseal™ Gasket

Robern's patented Safeseal™ gasket protects the interior from dust & moisture.

COV ILLUMINATED NICHE

ABOUT:

Built to nest into your home, COV is our illuminated niche that allows you to curate your belongings on display—like a museum of only your favorite things. Whether used as a charging station or open storage, COV offers endless design applications - whether within the styling space or anywhere throughout the home.

FEATURES:

1. Charging version includes two electrical outlets and two USB ports (A&C)

Conveniently charge devices like cell phones or digital watches.

2. Full illumination of niche interior

Top illumination paired with glowing frosted glass shelf for soft and dramatic accent lighting.

3. Integrated light dimmer recessed in product with on/off and dimming

4. Install as a standalone niche or integrated within a modular Robern application with compatible products

Recessed or surface mount installation options with compatible products.

5. UL listed for dry and damp conditions

(Not rated for wet applications like for use in a shower.)

INSTINCT MIRROR

ABOUT:

Robern's newest lit mirror with customizable lighting and on-mirror touch control to easily adjust color temperature and light output, Instinct rises to meet you in whatever glow your moments require. Complete with defogging technology, a slim composition, and easy installation, Instinct can hold center in any room as a leading source of reflection and light.

FEATURES:

1. Perimeter and Edge Light Patterns

Task lighting ideal for grooming and allows you to see yourself in the best light.

2. On-Mirror TUN Technology

Elegant touch controls on the mirror to set the ideal brightness and color temperature for any task (2700K – 5600K).

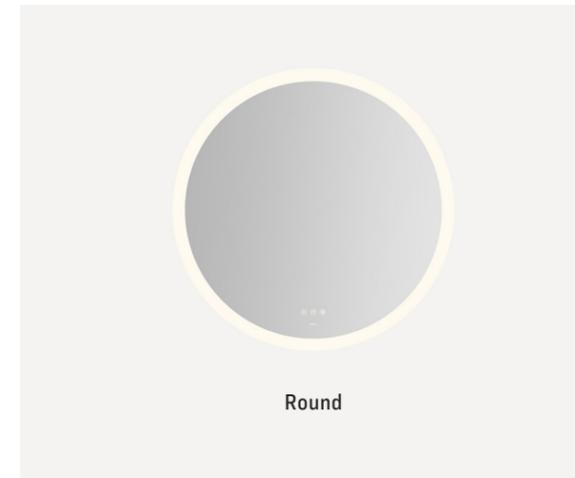

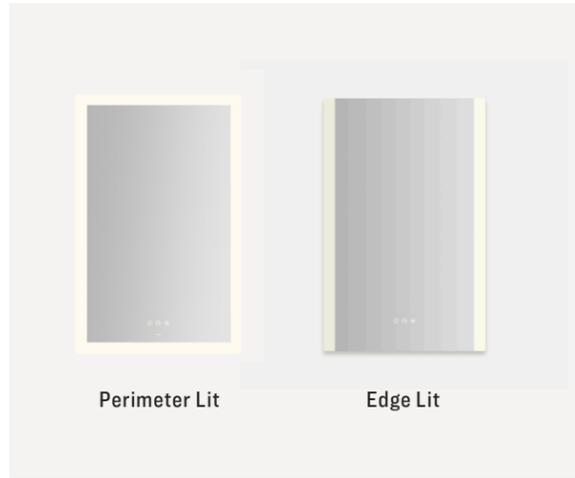

3. Defogging technology with auto-off timer

Ensures a clear reflection and will turn off on its own to save electricity

4. Slim profile with easy push-lock installation

PRESENCE CABINET

ABOUT:

With its soft, decorative glow displayed on the wall, Presence boasts equal parts art piece and medicine cabinet. Across interior perimeter lighting, outlets and charging ports, on-mirror light controls, and a lit magnification mirror, Presence serves as a stately fixture in your at-home sanctuary.

FEATURES:

1. Soft Decorative Glow

Glow surrounding the cabinet front that casts onto wall and accentuates the shape.

2. Perimeter Light Pattern and On-Mirror TUN Technology on interior of door

Offers task lighting when the door is open - easily accessing contents during your daily rituals.

Elegant touch controls on the interior mirror to set the ideal brightness and color temperature for any task (2700K-5600K).

3. Integrated Interior Lighting

Interior cabinet lights turn on when the door is open and off when it is closed.

4. Lit Magnification Mirror

A perimeter lit 5x magnification mirror with dimming functionality and selectable light temperatures for close-up grooming tasks.

5. Wire Organizer

Keep cords and cables off the countertop while charging your devices.

6. Electrical Outlets

Two built-in outlets accommodate four plugs to keep your styling tools powered up.

7. USB Ports

Two integrated USB ports (A & C) charge your devices while you prepare for the day ahead.

8. Storage Bins

Keep makeup brushes, cosmetics, and small grooming tools from spilling out of the cabinet.

9. Magnetic Storage

A magnetic storage strip keeps metal grooming tools neatly arranged and within easy reach.

10. 3-Mirror Design

The mirrored interior allows access to essentials without losing sight of your styling routine.

11. High Quality Anodized Aluminum and Glass Construction

Durable, rust-free anodized aluminum resists moisture for long-lasting functionality.

12. Slow-Close Blum Hinges

Prevent slamming, reduce wear and tear on your cabinet, and ensure a soft closure every time.

13. Adjustable Cantilever Shelving

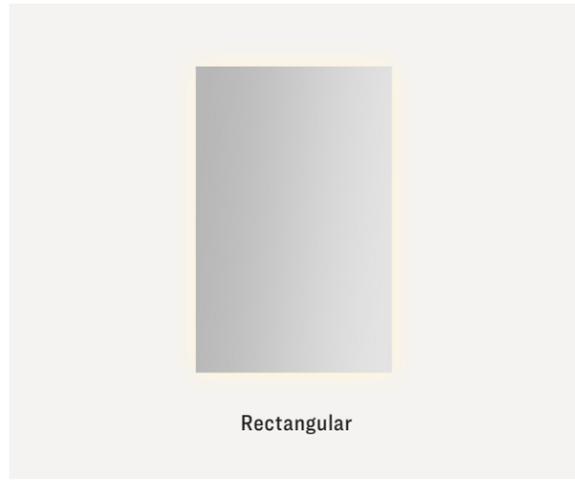

Cantilever shelving features hidden adjustment holes for a clean and custom-built appearance.

14. Quiet Close Safeseal™ Gasket

Robern's patented Safeseal™ gasket protects the interior from dust and moisture.
