SAFETY

**This is where your day begins.**

PL PORTRAY™ makes your getting-ready routine as simple and streamlined as possible with upgraded technology, improved ergonomics, and smarter storage solutions.

## Tech

Keep your styling tools and tech devices powered up — and safely off the countertop — with built-in electrical outlets and USB ports. PL PORTRAY™ brings innovative features and enhanced functionality to your styling space.

UPGRADE FEATURE

### PORTRAY ELECTRIC UPGRADE

The PORTRAY Electric Upgrade adds interior lighting, magnetic storage, electrical outlets, USB charging ports, and a convenient phone holder — so you can stay connected without cluttering up your space.

## Ergonomics

Designed with you in mind, the PL PORTRAY™ features enhanced ergonomics — like ample storage space and intuitive functionality — that allow you to move efficiently through your space, taking the stress out of your daily routine.

UPGRADE FEATURE

**PORTRAY™ SLIDING  
MAGNIFICATION MIRROR**

Integrated into the interior of the cabinet door, this 5x magnification mirror is perfectly positioned closer to the face when the cabinet door is open. Easily adjust the height as needed for detailed styling tasks like tweezing or cosmetic application.

## Storage

PL PORTRAY™ Cabinets offer ample storage for your everyday essentials, keeping your styling space clutter-free. Upgrade with optional accessories to organize the tools and products you use most often.

UPGRADE FEATURE

### **PORTRAY QUICK CADDY**

With five compartments to keep smaller tools and accessories organized, the Quick Caddy securely holds the items you use every morning — like cosmetic brushes, cotton swabs, or toothbrushes — so they won't roll onto the wet countertop or the floor. Use the swivel feature to rotate the caddy outside the cabinet, then simply close the door for access to your mirror and your must-have items.

ADD-ON ACCESSORY

## GLASS STORAGE BINS

Keep loose items like jewelry, hair accessories, or cosmetics from spilling out of the cabinet with stylish glass bins that maximize the storage space in your PL PORTRAY™ Cabinet. Available in multiple sizes and configurations, these bins are designed to seamlessly fit and complement your Robern cabinet.

## Safety

Add secure storage to your styling space with an interior mounted lock box to keep personal items, valuables, and medication safely hidden away from young hands and prying eyes.

ADD-ON ACCESSORY

### IQ™ DIGITAL LOCK BOX

Designed to seamlessly fit your PL PORTRAY™ Cabinet, the IQ Digital Lock Box features improved technology to keep your most important items secure. With key code entry, remote access and tamper notifications via smartphone, you'll have total control over your personal items.

## PEACE OF MIND

### Touch Keypad

Protect personal items and valuables with a passcode for secure access.
